

Master and Creation

It is 1961 and Sir William Lyons is stood alongside one of the first E-type Jaguar's at the Jaguar works site, Browns Lane. The E-Type is considered one of the most beautiful cars ever to be built.

*"It is a rugged, yet beautiful beast, with one of the most distinctive profiles ever fashioned in metal. Its beauty is the epitome of the Jaguar image..."**

* Chris Harvey, E-TYPE END OF AN ERA, The Oxford Illustrated Press 1977/78/79/81
